FIGHTING FOR A FAIR DEAL FOR WORTHING WEST

## MORAG CHUGG'S PLAN FOR A FAIR DEAL

1

**FIGHTING  
FOR OUR  
LOCAL NHS**

Our Public Health is a Priority not a burden. Our Government, the 6<sup>th</sup> largest economy in the world, could deliver a well-funded, efficient service if they really cared about your health. **We will fight for a Minor Injuries Clinic in our area to save lives and time spent at A&E.**

2

**LEADING  
CAMPAIGN  
TO END  
SEWAGE  
DUMPS**

The Environment Agency reports that our local water company dumped sewage into our rivers and sea, over 29,000 times in 2023, whilst they made massive profits. Lib. Dems. Will hold them to account for this shocking environmental vandalism. **See our manifesto on the environment.** [www.libdems.org.uk](http://www.libdems.org.uk)

3

**TACKLING  
THE COST  
OF LIVING  
CRISIS**

UK households, under this government, have experienced a brutal squeeze on finances. Lib. Dems. not only want to reverse this, we want to create a Fairer Society so people are not pushed towards poverty in the first place. **Lib. Dems have a fully costed £9bn strong economic inclusive strategy.**

**The choice is clear either we accept more of the same blue or red politics or we change to Gold .**

Dear Resident ,

**The Liberal Democrats are fighting for a fair deal for WORTHING WEST**

Worthing and District is an incredible place to call home, but we have been let down and taken for granted by the Conservatives and Labour.

Local people deserve so much better. That's why I'm standing to be the next MP for our area.

Like you. I've been frustrated to see our area overlooked and left behind. This election is our chance for change. With your help, we can make a real difference for our community.

The Conservative Government have let our NHS crumble and wrecked the economy, leaving people across our area struggling to make ends meet. And Labour are too busy fighting amongst themselves to tackle the real issues people here are facing.

**The Liberal Democrats and I are fighting to get a better deal for Worthing.**

**We're demanding better access to GP and dental services, fighting for a fair deal for our NHS, including a Minor Injuries Unit in Worthing to help reduce A&E waiting time so those who need it get action fast and calling for real action to tackle the cost of living crisis.**

**See our manifesto at <https://www.libdems.org.uk>**

More and more people are switching to back my campaign every week. And many are taking the next step and joining the Lib Dems to show their support.

**Will you join us and add your voice to the thousands of Liberal Democrats fighting for a fairer, more equal society? Sign up online or contact us via 01903201299 or via our facebook Focus on Worthing page.**
